

# Living with BRCA

Webinar on Hereditary Breast and Ovarian Cancer (HBOC) Syndrome

This event brings together clinical and research expertise in the field of HBOC syndrome with the goal of improving and supporting the lives of *BRCA1/2* carriers and their families. Participants can get up-to-date information on the HBOC syndrome, the opportunity to ask questions and to meet others living with BRCA.

**2 October 2021, Saturday**  
**9-11am**

Zoom webinar for *BRCA1/2* carriers and their families
